Srinu nagur	My friend srinu wants to self budget his finances and plan the usage and he found a website and stated using it and faced problems like 1.Security issues. 2.Limited customization or features.	<a href="http://Walle.t.com">Walle t.com</a>	Tracking the expenses and budgeting automatically.	1.Paid and costly. 2.It is of more manual although it tracks the banking transactions.	Adding reports,alerts will help the user to track and plan easily.	24	M	MBA student	#self budgeting and financing
Avinash	My neighbour was poor in managing time and scheduling his tasks accordingly so he stated using smart-sheets and found few problems in it. 1.Not completely user-friendly.It requires some time to become handy and ease. 1. Limited features.	<a href="https://www.smartsheet.com/">https://www.smartsheet.com/</a>	1.It reduces the manual task and improves efficiency. 2.Integration with 3 <sup>rd</sup> party apps improves its functionality.	Including the spreadsheet feature may be easy for some but complex too.	1.adding adequate educational resources,tutorials will help to use the platform more easily.	23	M	Software Employee	#Time management and planning
Sunil kakarla	My cousin sunil likes to cook and want to try few famous international dishes.so he started using bigoven and found few problems in it while using.. 1.No recipe editing and recommendation. 2.Missing of international recipes and difficult to find.	<a href="https://www.bigoven.com/">https://www.bigoven.com/</a>	1. user friendly. 2. Large data base of recipes. 3. Users can read the reviews,ratings.	1. Need individualized meal planning choices and recipe recommendations. 2. have occasionally mentioned having trouble locating extremely specialized or niche recipes.	1.The software might become more individualized by providing more advanced personalization algorithms and customisation options for meal planning.	24	M	Teacher	#cooking recipes and meal plan

Raju A	My father is a business man .He wants to know the quality of his products and customer satisfaction and he used consumer reports as a platform and found few difficulties using it. Consumer Reports' primary focus on products sold in the United States may limit its applicability to people outside of the country.	<a href="https://www.consumerreports.org/">https://www.consumerreports.org/</a>	<ol style="list-style-type: none"> <li>1. It had unbiased ratings and reviews.</li> <li>2. It covers most of the products in the market.</li> </ol>	For readers seeking quick and straightforward product suggestions, the level of analysis and detail in Consumer Reports' assessments can occasionally be overwhelming.	<ol style="list-style-type: none"> <li>1. Improving the use interface to become more friendly.</li> <li>2. Increasing the database with including the international brands.</li> </ol>	54	M	Business Man	#Product comparison and quality analysis.
